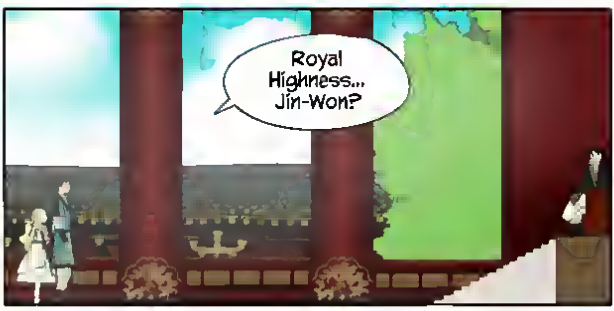
What? Wi-Jin's gone, you say?
He wasn't around last night, either. I thought he went out for a while.
Since he's not here now, he may be gone for good.
Did he whine and take off to avoid the work load?
We planned to stay together and face Baek-Yeom in the future.
...
Armsmaster, can you please send a couple of officers to search for Wi-Jin?
Why bother if he'd rather not be with us?

He's not that kind of guy. He wouldn't just leave without a word.
Something must have happened to him.

He wasn't getting any better with his powers. Now, he has another distraction.
Hah

Welcome, Wi-Jin.
...



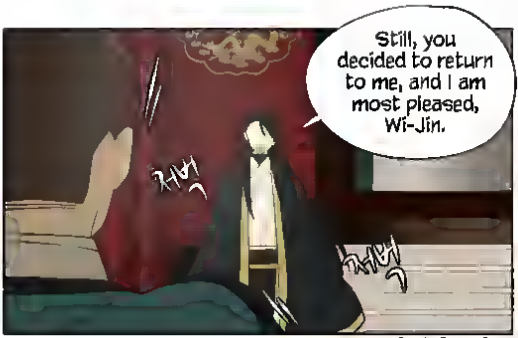
Royal Highness... Jin-Won?

You've heard the story, so you must know.

...this is actually Prince Dong-Hyung.

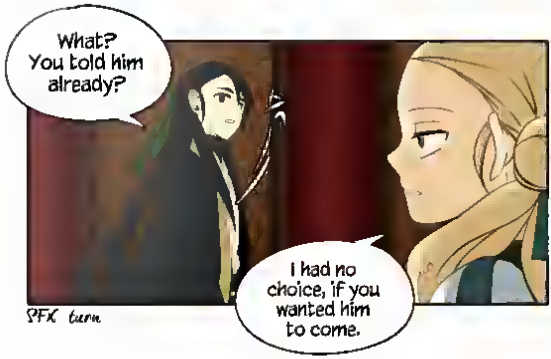
Are you surprised?
I was going to tell you sooner, but I couldn't do it.

SFX

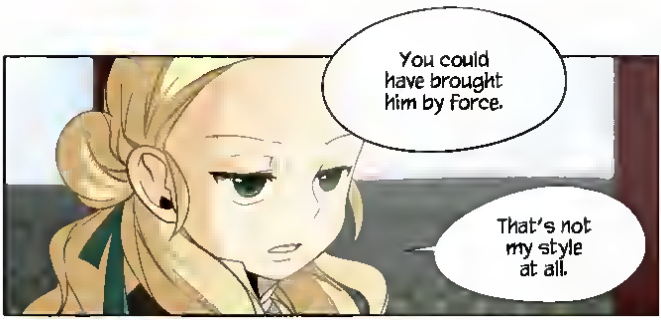


Still, you decided to return to me, and I am most pleased, Wi-Jin.
SFX: Step, Step

...
I did not come back for you, Your Highness.
I heard that my sister, So-Hee, is here and I want to see her in person.

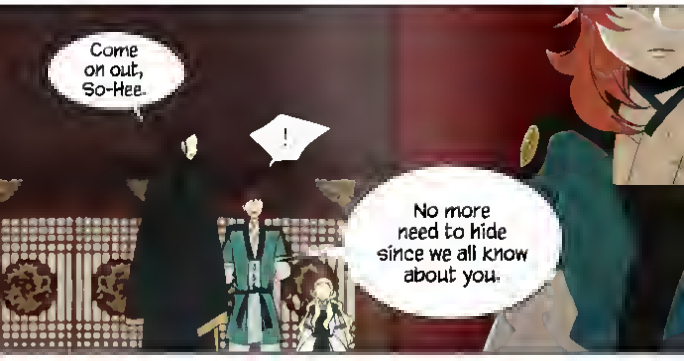


What? You told him already?
I had no choice, if you wanted him to come.
SFX tsuin

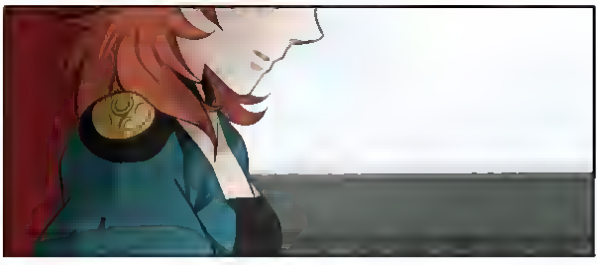


You could have brought him by force.
That's not my style at all.

Oh well. I'd planned to host this family reunion anyway.



Come on out, So-Hee.
!
No more need to hide since we all know about you.

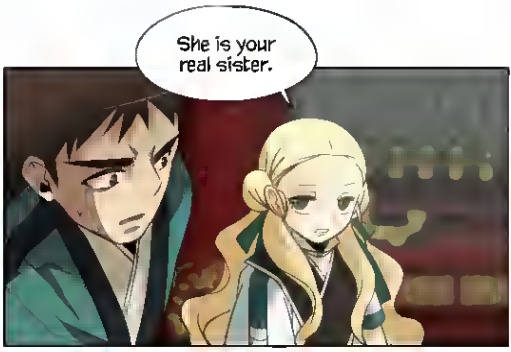


ap pear

...
So-Hee.

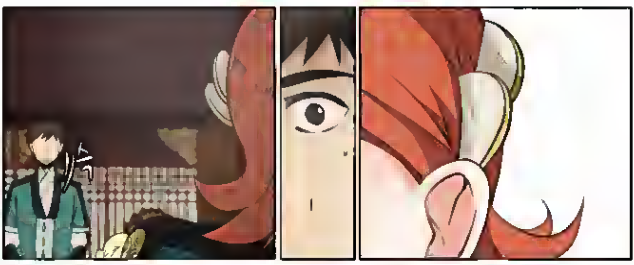
Your Highness, how can I trust you?

YOU STAND HERE IN A FALSE BODY. SO-HEE OVER THERE COULD BE AN IMPOSTER, TOO!



She is your real sister.

But you can decide for yourself whether she's real or fake.



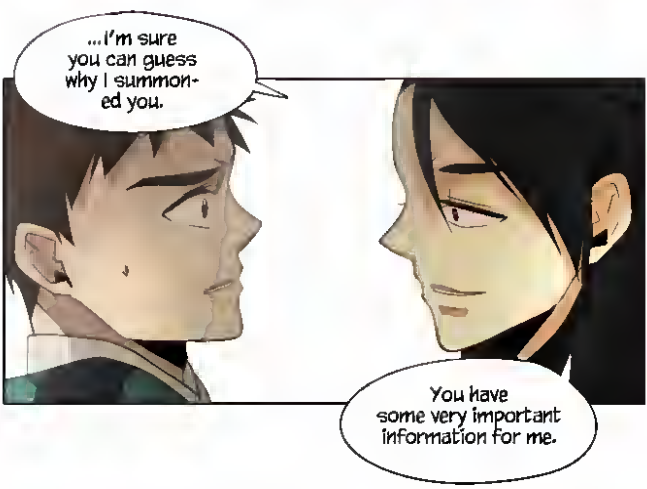
SFX: nod

AH! HERE, A PRESENT FOR YOU!
SFX: offer

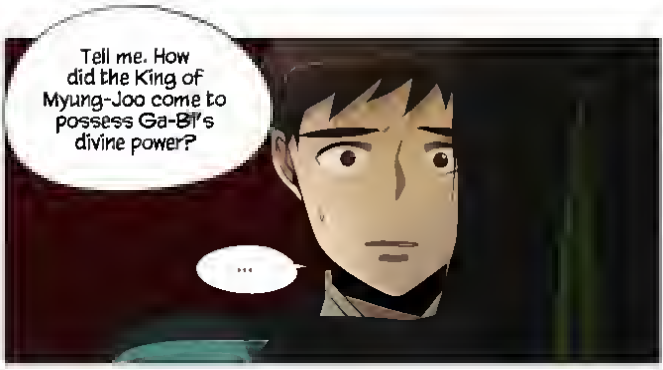
Wow.
They're so not cute.
HUH?!

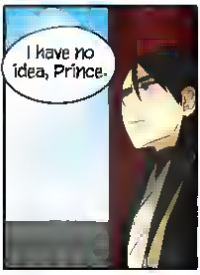
...

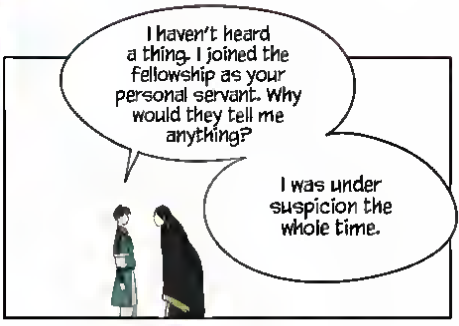
Before we go too far, Wi-Jin,
step



...I'm sure you can guess why I summoned you.
You have some very important information for me.







I haven't heard a thing. I joined the fellowship as your personal servant. Why would they tell me anything?
I was under suspicion the whole time.

SFX: Grasp, Startle

SFX: Squeeze

Now, let me ask you one more time.
How did the King of Myung-Joo get Ga-Bi's divine power?

They say that I am Ga-Bi's son.

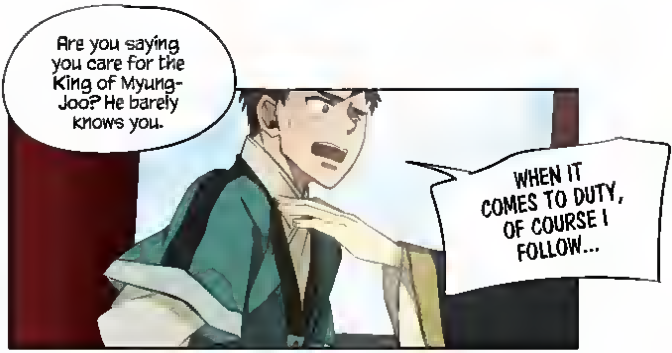
꽉

SFX: Clench

I do not know.

Wi-Jin, you don't really think that I would hesitate to kill you?

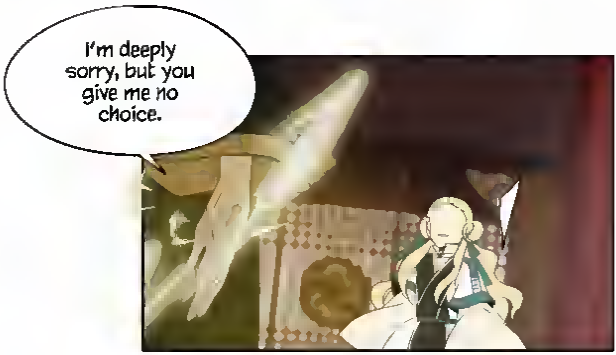
!
...
Do as you wish.
I was supposed to be executed last year when Emperor Jin-Won was killed.
In fact, Your Highness saved my life then. And now, you can take it away.



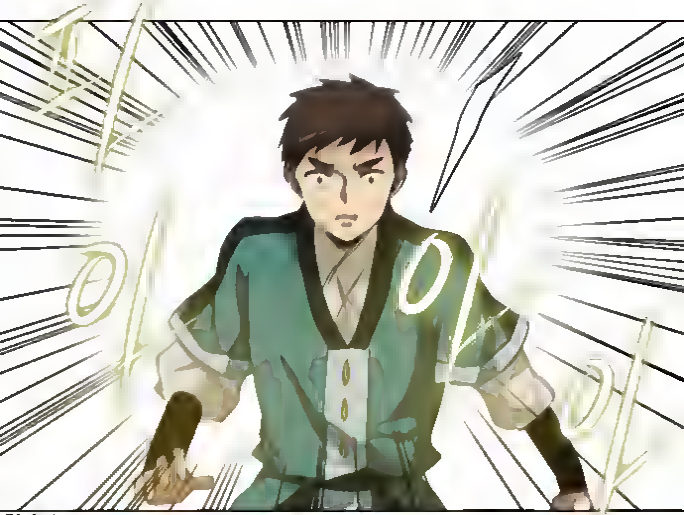
Are you saying you care for the King of Myung-Joo? He barely knows you.
WHEN IT COMES TO DUTY, OF COURSE I FOLLOW...

...you, Royal Highness.
However, I do know that your actions are morally wrong.

And so, I cannot obey you now, knowing that.



SFX: zing



SFX: shoop

SFX: ka-ching, ka-ching

What the devil are you doing?

SFX glow

Now, that's enough.

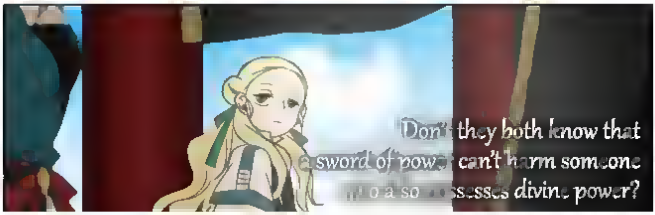
So-Hee.

Wi-Jin, you are well look-ed after.
I'm envious.

Wi-Jin, you are not afraid to die?
Well, then...
SFX: zzzing

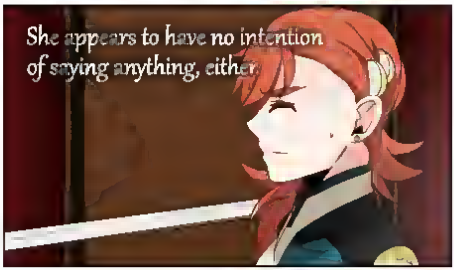
...how about witnessing your sister's death?
SFX: Swift

YOUR ROYAL HIGHNESS!!
I am giving you a choice here.
You can tell me before her death, or you can tell me after her death.
Lastly, both of you can die. You may decide.



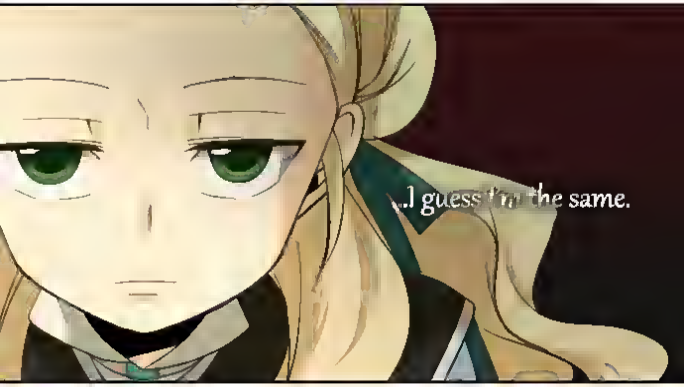
Don't they both know that
a sword of power can't harm someone
who also possesses divine power?

I guess Wi-Jin has no idea that
his sister has that kind of power.



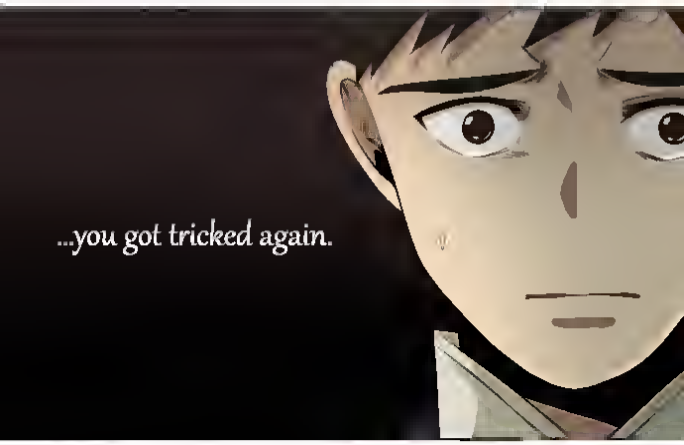
She appears to have no intention
of saying anything, either.

Well,



..I guess I'm the same.

Decide now.
I've told you already that I really have no patience.
Wi-Jin,



...you got tricked again.

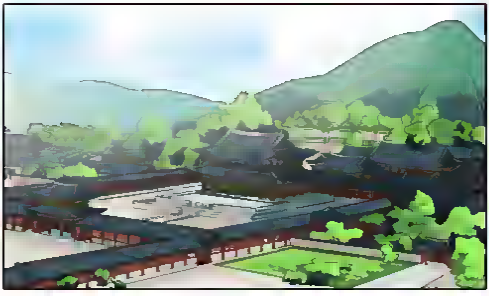
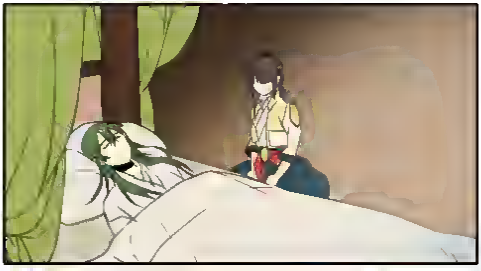
Divine Bells

Season 3, Chapter 16
Guarding the truth





I'm leaving for Nan-Hun tomorrow.
Hong-Ryung is leaving for Tae-Ryung Palace tomorrow, and I'm going home to Nan-Hun to fulfil some obligations.
Also, I really can't put up with your mother much longer.
But I really want to stay until you are fully awake.

Could you let me see you smiling instead of crying the next time I open my eyes?

Every day, I've practiced a smile that says how I feel for you.
And in the end, I can't stay and show you.

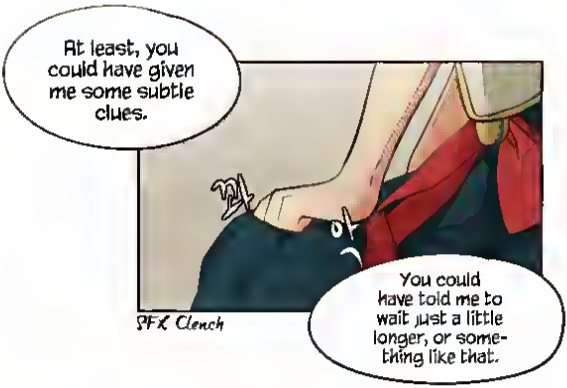
I've heard the story from Hong-Ryung.
I really wanted to hear it from your lips, but you're not recovering quickly enough.

You're such a lunkhead, taking all that responsibility on yourself and trying to hide everything within.

When the late king passed away, his concubine should have been expelled from the palace.
You should've been kicked out, too
I've said all those horrible things to you.
Please sell it for 5 taels.
Sell it for half price!
Of course, you knew that Chui-Bi was plotting.
to make you king
FK. fidget, fidget
So how can I believe you, when you know all these things, yet still remain in the palace?
Keeping the truth hidden; never telling anyone. You must have been dying inside.
It means that you would betray Hong-Ryung.
In the end, you would follow your mother's will and steal the throne.

Straight from you, I want to hear that I'm wrong
I want to hear that I'm wrong every single time I ask-
SFX: Clench
BUT YOU KEEP DODGING MY QUESTIONS! IF I'M WRONG, WHY WON'T YOU TELL ME?

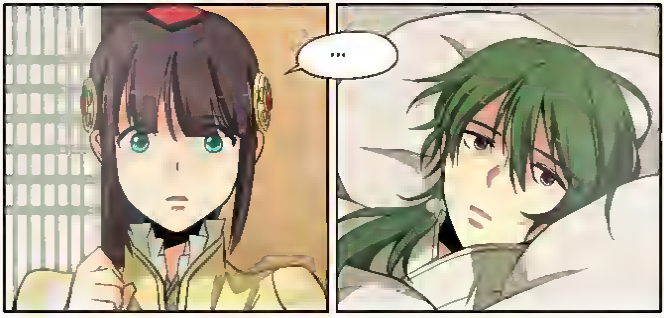
Even when you wake up, I won't apologize.
Why did you keep so many secrets? You could have told me.



At least, you could have given me some subtle clues.
꽉
아
You could have told me to wait just a little longer, or something like that.
SFX Clench

You cause me all this aggravation, and now you won't even wake up.
SFX Flutter

And here you go, making me cry again.



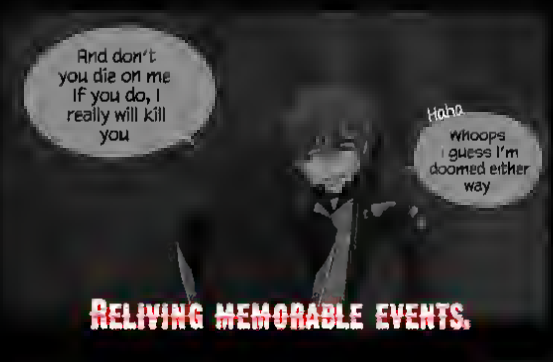
...

You...
YOU! YOU COULD HAVE AT LEAST MADE A LITTLE NOISE IF YOU WERE GOING TO WAKE UP!
DO YOU EVEN KNOW HOW MUCH I PRACTICED THE SMILE I WAS GOING TO GIVE YOU WHEN YOU WOKE UP? NOW YOU RUINED IT!!
I'm sorry.

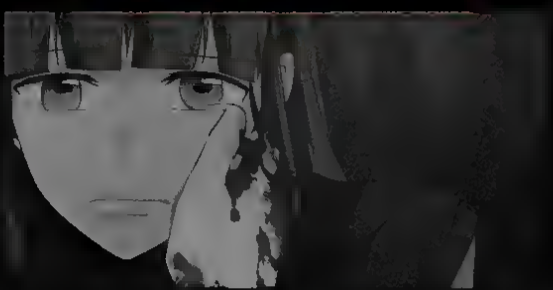
I DON'T NEED YOUR APOLOGY! I WAS JUST GIVING YOU ONE!
Ha-ha.

TAKE IT EASY. DON'T GET UP.
This much is fine.
Fine? You certainly don't look fine.
SFX. Groan

I rehearsed so many things to say to him, but now that he's awake...



RELIVING MEMORABLE EVENTS.



SFX awkward, awkward

Well, some things don't work out no matter how hard a person tries.

This is just one of those things.
You know, like the way you draw.
Now you're not even mad about it anymore

Aren't you leaving for Dae-Hyun tomorrow?
Will you be able to do anything at this skill level? Why don't you train some more before you go?
An extra day. Well, three days. No, a week.

Honestly, I don't know if you'd get better even after a month of training.
Exactly. I don't think I'll improve in a month, so I might as well go quickly.

Hey, since you're good with a bow, why don't you try making one?

Like this.

SFX: flare

SFX: glow

Uhh...

Like this?

SFX: splatter

Ah. Guess that's not gonna work.

Yeah, but what if I put my power into an arrow?

SFX: splinter

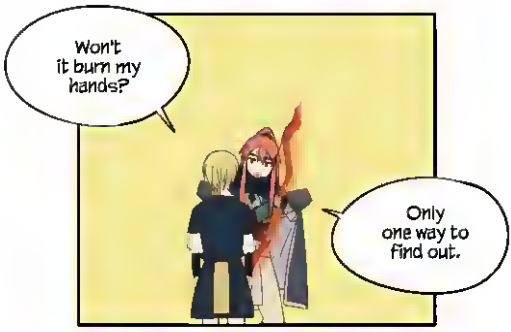
N-Now what?
You're finally starting to worry seriously now?

SFX: kindle
Originally, only Ga-Bi or another Divine Bell could touch something made by a Divine Bell.
SFX: flare

But, since you have Ga-Bi's power, maybe you can too.
SFX: offer



Won't it burn my hands?
Only one way to find out.

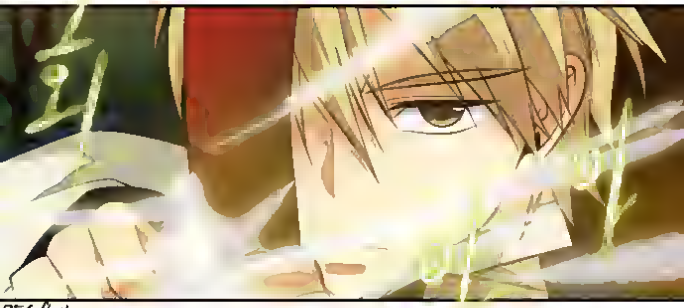
They're obviously not your hands
It might hurt, but your power is stronger than mine, so it probably won't actually burn.

SFX: reach

How is it? Is it okay?
It's a bit hot, but I can handle it.

SFX: glow

SFX: glow



SFX: flash

SFX: release

SFX: thwoop

SFX: blam

SFX swirling dust

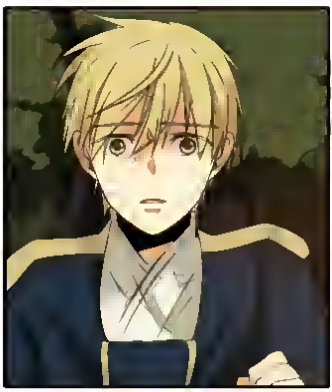
But there's a problem. If I use my power for something else, then I can't sustain the bow.
Ah you're right
It'll be a real pain if I need to come to you and make you a new one every time that happens.

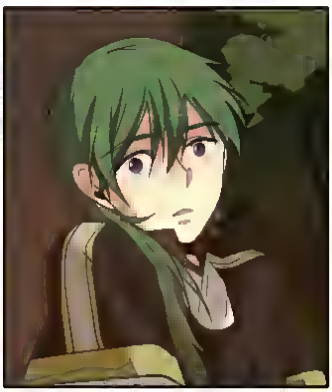
SFX fade, flame

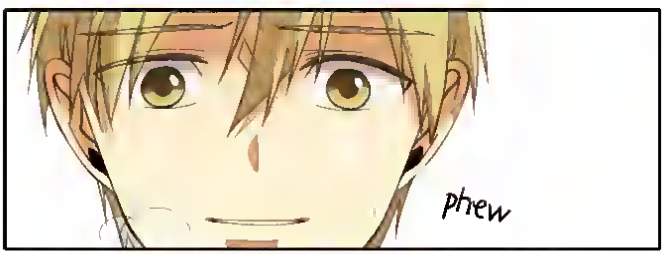
SFX step step

SFX run

BROTHER!







phew

It's a relief that you woke up.
But why did you come all the way here when you're not fully recovered?
How can I stop him when he's as stubborn as you?

I heard that you're going to Dae-Hyun tomorrow, Sire. I thought I should show you I'm better so you won't worry about me.

Also, I have something to tell you.

Dare Bells

Season 3, Chapter 17:
Kill the dog after the hunt is over

Truthfully, I hope that you don't die.
Because that way you can become Ga-Bi's replacement.

But I don't understand why Baek-Yeom is trying to start a war.
How would that benefit him?

I heard that Ga-Bi erased Baek-Yeom's memory and sealed the Divine Bells because Baek-Yeom tried to start a war back then, too.

Why was he trying to start a war?
Gabi didn't know for sure.
But she remembered an old conversation with Baek-Yeom
Alien power inside a person can cause violent rejection and other side effects
If that were to happen, Your Highness's life would be in danger

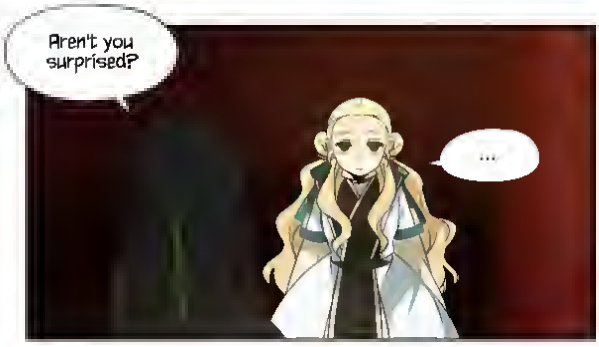
Don't worry about that
I have a great idea.
Are you saying his "great idea" might be related to starting a war?
It must have a connection.

Then we must stop it.
While I'm away in Dae-Hyun, can you continue to look after Chu-Yeon Palace?
And if I'm unable to return, then you...
SIRE!!
In this situation, we have to be prepared for every possibility.
I'll wait.
I'll look after Chu-Yeon until you come back again
That way, you must return

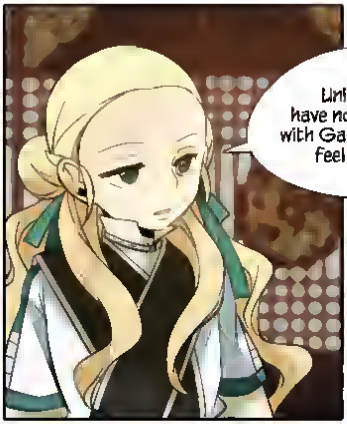
It's a deal.

A son...
Her son.

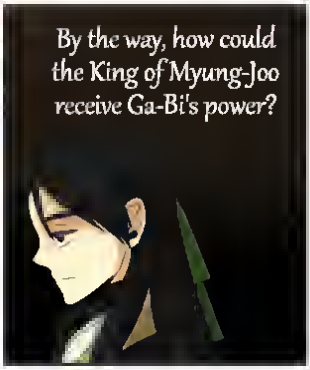
It's really surprising.



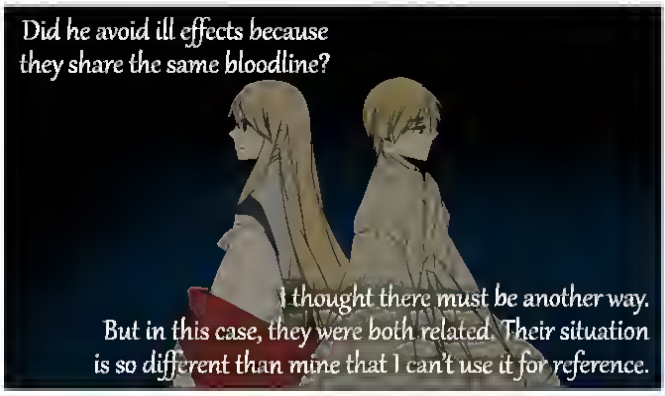
Aren't you surprised?
...



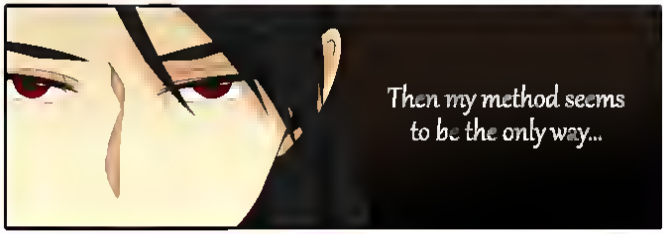
Unlike you, I have no connection with Ga-Bi, so I don't feel anything.



By the way, how could the King of Myung-Joo receive Ga-Bi's power?



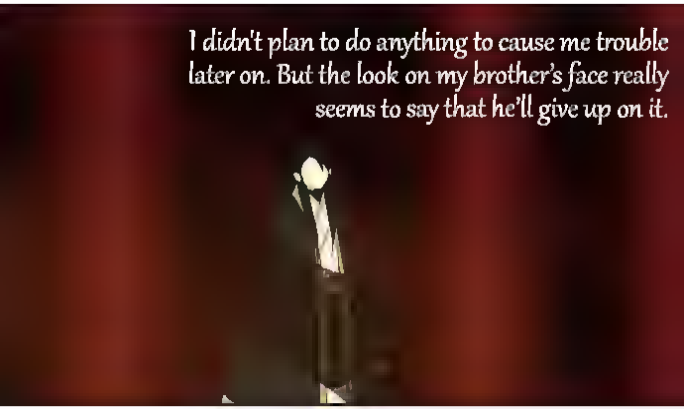
Did he avoid ill effects because they share the same bloodline?
I thought there must be another way. But in this case, they were both related. Their situation is so different than mine that I can't use it for reference.



Then my method seems to be the only way...

...but Hyun-Joo seems to be hesitating.

I didn't plan to do anything to cause me trouble later on. But the look on my brother's face really seems to say that he'll give up on it.



At the time, I was concerned that the way I reappeared might become a problem.

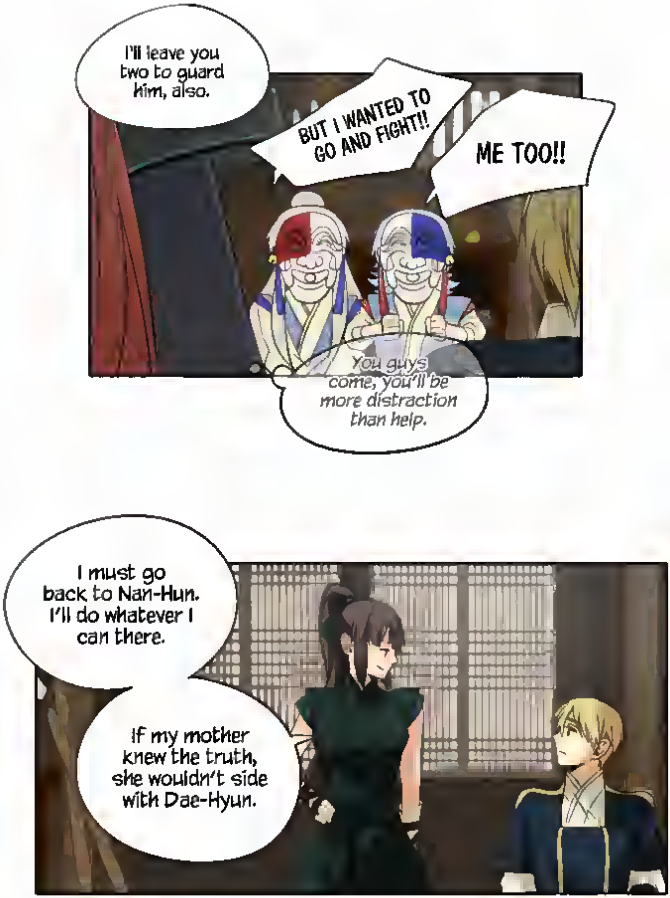
Listen up. I'll be going to Dae-Hyun, along with Gang-Hui,
and Captains...
...Baek-Yul, Dan, and Su-Lan

Poung-Yeon will stay in Myung-Joo.
WHAT?? YOUR MAJESTY, WHY ARE YOU LEAVING ME BEHIND?!

I need you to protect my brother.
Baek-Yeom might try to harm him.
Yeah, Mu-Hyang really fooled Baek-Yeom, after all. Bet he's pissed.

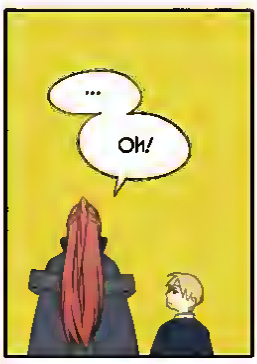


I'll leave you two to guard him, also.
BUT I WANTED TO GO AND FIGHT!!
ME TOO!!
You guys come, you'll be more distraction than help.
I must go back to Nan-Hun. I'll do whatever I can there.
If my mother knew the truth, she wouldn't side with Dae-Hyun.

This conflict is no longer limited to Dae-Hyun and Myung-Joo.
Don't push yourself too much. Even Nan-Hun may be endangered.
Don't worry. I dearly love my country as much as you love yours.

Hey, come to think of it.
Huh?

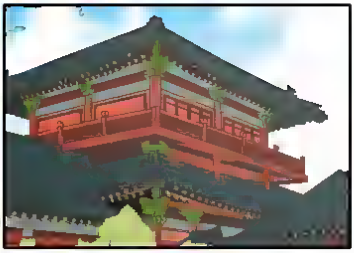
Where's that other Divine Bell?
You know, the one with long hair and the stern face.

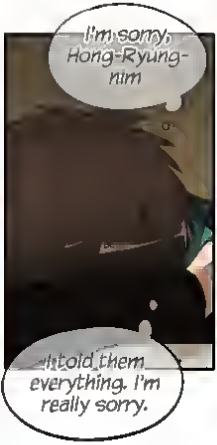


...
Oh!

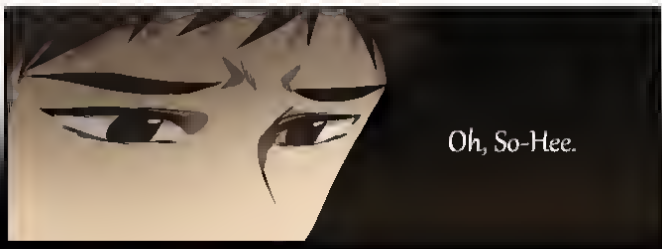
You didn't notice that your comrade is missing?
BUT JI-EUN ALWAYS DISAPPEARS WITHOUT A WORD!
YEAH! EVEN IF SHE'S HERE, I SEE HER FEWER DAYS THAN NOT.

But really, where did she go?



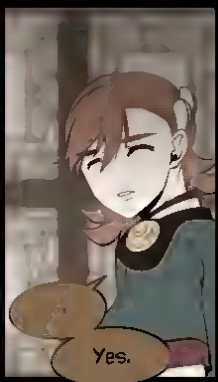


I'm sorry, Hong-Ryung-nim
I told them everything. I'm really sorry.



Oh, So-Hee.

Stay in this room for now. You shouldn't think about escaping
DID YOU KNOW THAT PRINCE DONG-HYUNG IS BAEK-YEOM?

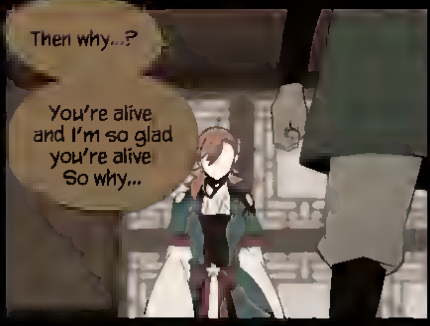


Yes.

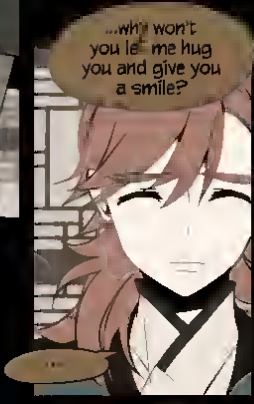
HOW CAN YOU STAY WITH HIM WHEN YOU KNOW HE'S BAEK-YEOM?!
IT'S HIS FAULT THAT PRINCE JIN-WON AND OUR FAMILY ENDED UP LIKE THIS!!

No. Hyun-Joo killed Prince Jin-Won and destroyed our family
BUT BAEK-YEOM CAUSED HIM TO DO IT!!

Yes. I know.



Then why...?
You're alive and I'm so glad you're alive So why...



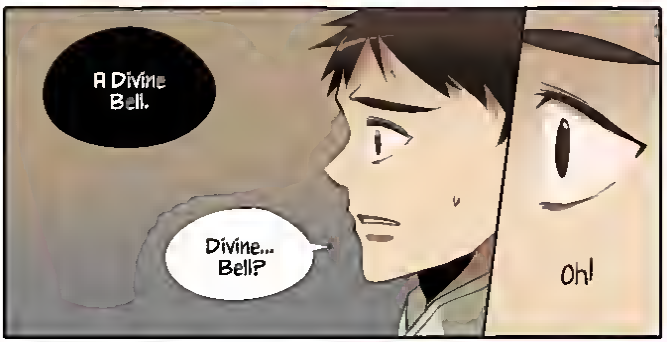
...why won't you let me hug you and give you a smile?

Lord Hong-Ryung, what should I do?
I honestly don't know. I don't know what to do from now on.
So...
...let's think about it together, Ui-jin.

So, are you going to do nothing and stay defeated?

SFX: Silence

I-I must be really tired. I'm even hearing things.
SFX: Shiver
You are not hearing things.
SFX: Startle
W-WHO ARE YOU??
ARE YOU A GHOST?



A Divine Bell.
Divine... Bell?
Oh!

Now that I think about it, this voice...

I saw you running along with a pale face, so I followed you to see what was happening.

SFX: run run

Then, that priestess named Ha-Hyeon appeared. I thought I could find Baek-Yeom's location, so I quietly followed.

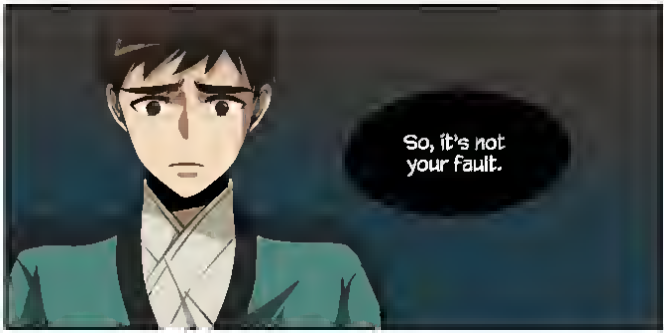
I almost revealed myself when you were in danger that time,
SFX: thump

But those two blocked the way, so there was no need for me to step in. Thanks to that, I've stayed hidden until now.
Arrgh..!
SFX: ka-ching ka-ching

THEN HURRY! TELL HONG-RYUNG-NIM THAT BAEK-YEOM HAS FOUND OUT EVERYTHING...
...because of me.

SFX appear

You can tell me before her death, or you can tell me after her death
You had no choice at that time. I know because I saw it.
Lastly, both of you can die. You may decide.



So, it's not your fault.

But I do need to alert them.
I think Baek-Yeom plans to take Hyun-Joo's form this time - after getting rid of the real Hyun-Joo.
!
King Hong-Ryung plans to meet the emperor of Dae-Hyun, so he might face Baek-Yeom in disguise.

THEN, ISN'T THAT BAD?
YOU SHOULD GO AND LET HIM KNOW!!
...

But I'm worried about leaving you alone in this place. Baek-Yeom might change his mind anytime and kill you.
He's the type of person who can kill his own brother without blinking. There's no guarantee that you'll stay safe.

Look. Don't worry about me. Just go.

SFX. clench

I just can't put Hong-Ryung-nim and the others in danger because of me.

I'll first alert the others of the situation and then come to rescue you.
So, if they try to kill you, stay alive - even if you have to hold on to their legs and beg.
SFX. fade
It would irritate me to return, only to find out that you're gone.

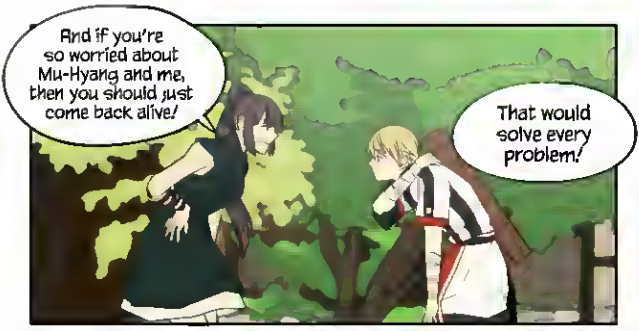
Wow. Are you okay?
It's been so long that I let my guard down.
Don't even think that something will go wrong.



And if you're so worried about Mu-Hyang and me, then you should just come back alive!
That would solve every problem!

You seem confident. You're pretty sure about marrying my brother.

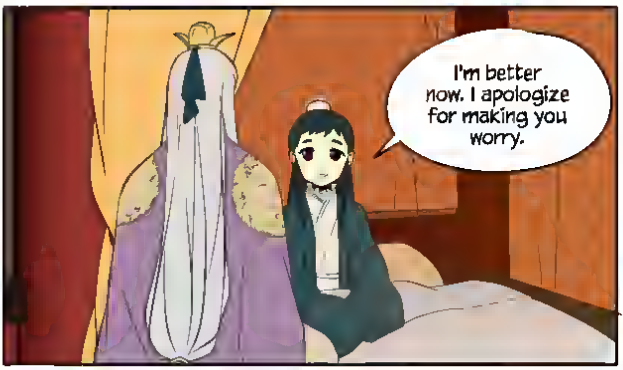
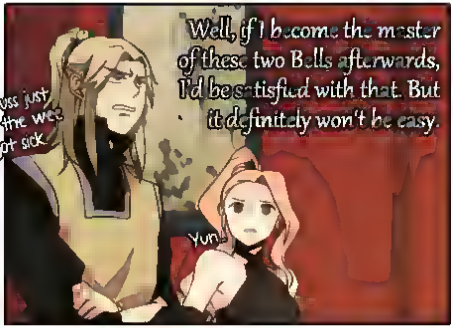
How are you feeling, Dong-Hyung?



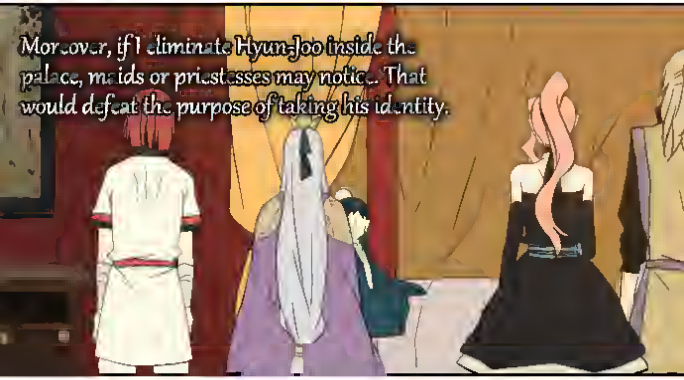
I'm better now. I apologize for making you worry.

Hmm. If I want to take the form of Hyun-Joo, it would be better if I got rid of him.

But if I did that, the bonding glyphs would disappear from the Divine Bells, and they would notice.



Such a fuss just because the wet Prince got sick
Well, if I become the master of these two Bells afterwards, I'd be satisfied with that. But it definitely won't be easy.
Yun-



Moreover, if I eliminate Hyun-Joo inside the palace, maids or priestesses may notice. That would defeat the purpose of taking his identity.

Probably, he was not even aware of it.

That's why I chose Hyun-Joo

...when my memory returned and I needed someone to carry out my plans

...I chose Hyun-Joo, even though Jin-Won looked like my former self,

Because no one is easier to manipulate than a jealous person.

He was probably treating me well in an unconscious attempt to bury his guilt over killing his own brother.

I could have travelled here alone.
You're so busy. I worry that you're pushing yourself too hard because of me.
You don't need to worry about that.
You know, we still need to talk about your involvement with the king of Myung-Joo, so expect some punishment after you're well.
Of course.
Would you like to come in for a cup of tea?

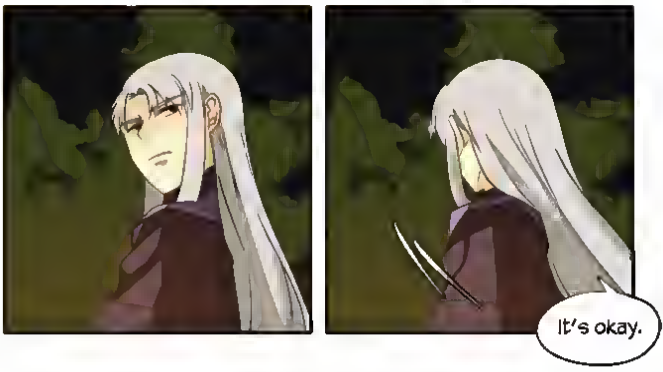
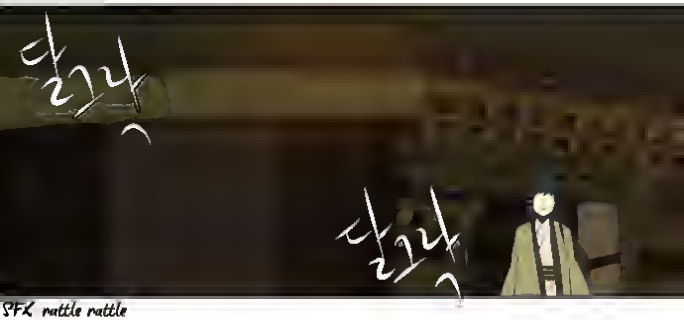
Don't bother. You go get some rest.
Brother,





SFX rattle rattle

Both of you, stop.

Before we even kill the emperor, that woman and I were about to kill each other.

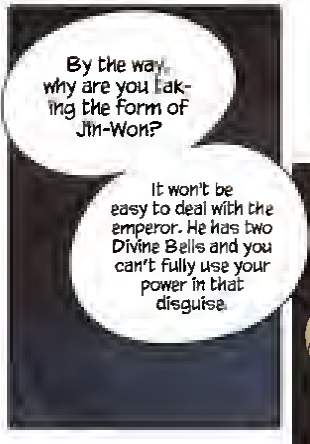
Well, should I also get ready?



By the way, why are you taking the form of Jin-Won?
It won't be easy to deal with the emperor. He has two Divine Bells and you can't fully use your power in that disguise.

It would be too sad if he died knowing that his beloved brother betrayed him.

SFX rattle rattle

This guy, he's unexpectedly soft-hearted when it comes to his little brother.
An emperor personally escorting his brother home?
It's his only brother.

Who knows? I can't really relate, since I don't have a brother.

Isn't it kind of like the relationship between Divine Bells? Technically, we are siblings.

He's still Emperor of Dae-Hyun, after all.

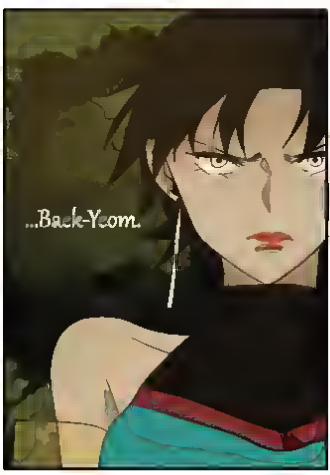
We should at least show some respect.

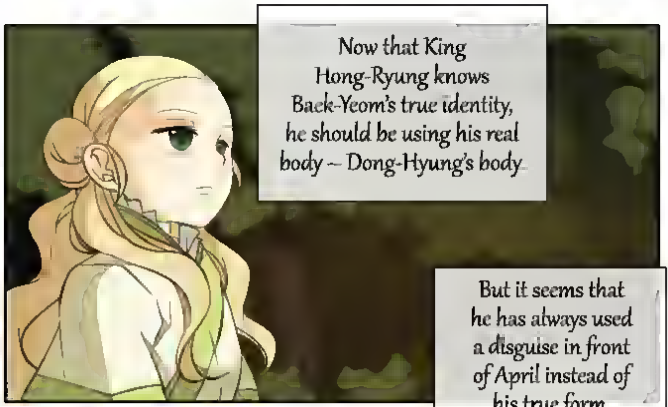
Jin-Won? Brother?

What's happening? Is that Prince Jin-Won?
I thought he died.
He looks exactly like Jin-Won!
Prince Jin-Won?

Then that guy must be...



...Back-Yeom.



Now that King Hong-Ryung knows Back-Yeom's true identity, he should be using his real body – Dong-Hyung's body.
But it seems that he has always used a disguise in front of April instead of his true form.

So she's just a pawn.

Well, even I might be a mere pawn to him.

How does it feel to face a man you've murdered?

What is he saying?
The emperor killed the prince?

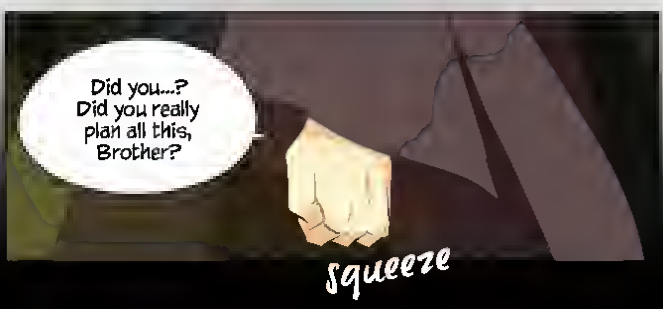
Oops. Did you want to keep this secret from your subjects?
But don't worry. No one will know that you killed me,
because no one will make it out of here alive.

And of course, that includes you, Hyun-Joo.



Did you...? Did you really plan all this, Brother?
Squeeze

I've never seen this book before.

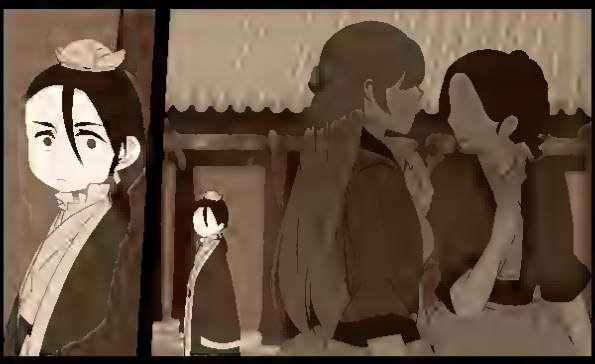
You led me to that book about Ga-Bi.

...you led me to eliminate you, and you led me to start a war.

And now, you no longer need me anymore.

Everyone thinks that you're dead. Do you really think that you can become Emperor even if you get rid of me?
I don't worry about that.
You know, when you rule over someone, you don't have to give a reason or justification for your actions.



You just have to show your power...

If you give them reason to truly fear you, they're bound to bend their knees.

Then I'll continue with my plans.

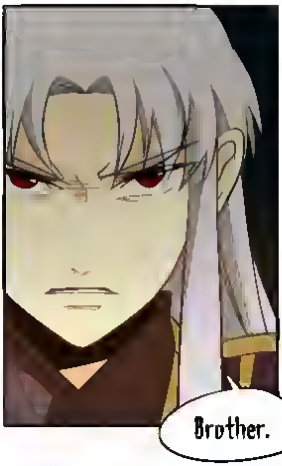
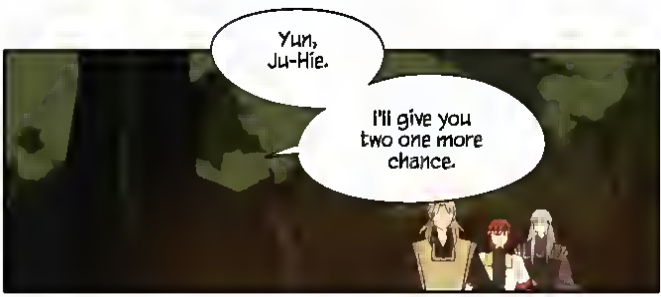
KUK!

TSK.



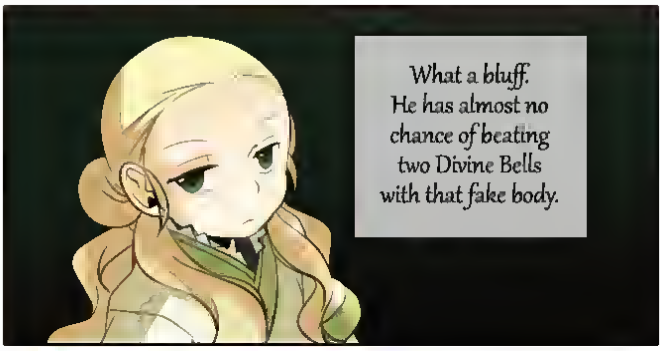
Brother.



Yun, Ju-Hie.
I'll give you two one more chance.

If you choose me as your master after Hyun-Joo dies, then I won't kill you.
If Hyun-Joo gives you an order, then you'll have to attack me. But if you give me your pledge, then I will make sure you two live.

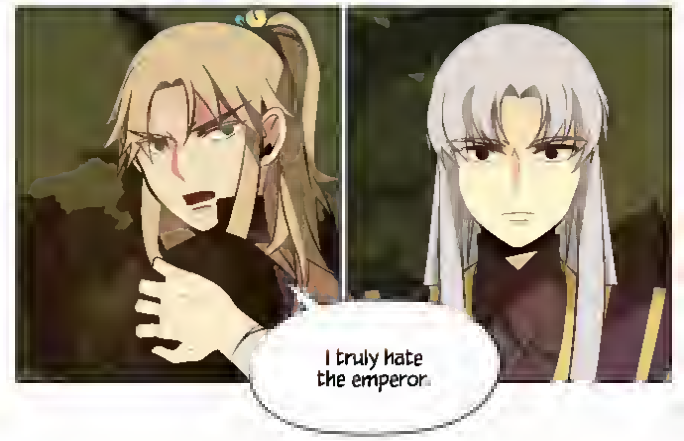
What do you think?



What a bluff. He has almost no chance of beating two Divine Bells with that fake body.

...

grab
You are not really going to his side, are you?



I truly hate the emperor.

I hate that he became my master by force.
I hate that he acts all sweet and generous, but is completely different when no one is around.
I also hate the way he orders us around just to show he's our master.
I hate it all.

But I hate you infinitely more than the emperor.
Did you think that I'd step in shit to avoid some mud?

THAT'S WHAT I THINK. WHAT ABOUT YOU, JU-HIE?
The same.
How cold,
even though I was being nice.

Who would have ever thought that there would come a day...

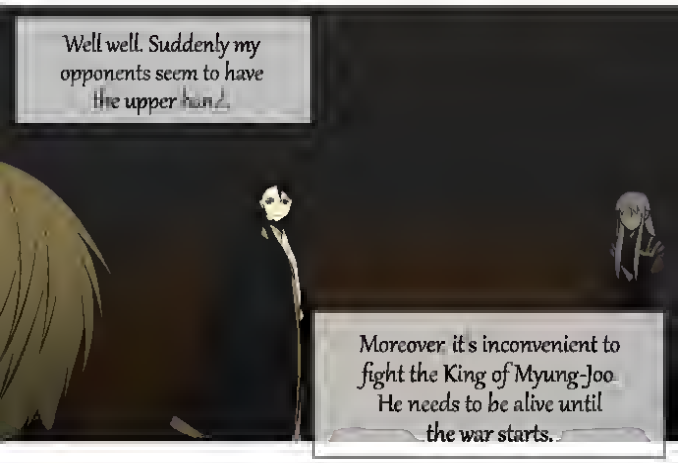
It's really annoying that you've turned up, King Hong-Ryung. How did you know I'd be here?
Did you gain the gift of prescience when you received Ga-Bi's power?
What? Ga-Bi's power?

...
Wi-Jin disappeared.
We went to Dong-Hyung's mansion in case Wi-Jin returned there. Then I sensed a source of divine power and followed it. And so, here we are.
What are you planning now?

Gang-Hui..

..and the King of Myung-Joo, wielding Gabi's power



Well well. Suddenly my opponents seem to have the upper hand.
Moreover it's inconvenient to fight the King of Myung-Joo. He needs to be alive until the war starts.

But if I walk away now, leaving Emperor Hyun-Joo cornered like this, he will interfere with the plans I've laid.

Whatever happens afterwards, first..

I'M PROTECTING HIM BECAUSE IF HE DIES, BAEK-YEOM WILL BECOME OUR MASTER BY FORCE!

You don't need to worry about that.
Right now, Baek-Yeom is so weak that he'd have trouble defeating you alone.
What?

Since we are here, your identity will be revealed
So just admit it.

Sometimes it's better if a person doesn't know the whole truth - all the more if he doesn't have long to live.
And don't you have more reason than anyone else to kill Hyun-Joo?

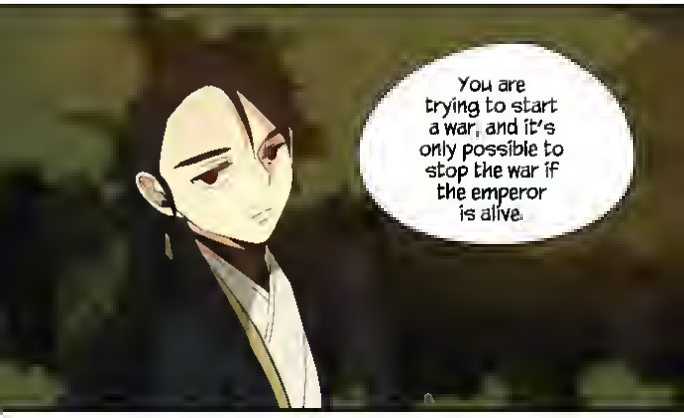
Season 3, Chapter 21
Brother (3)

You're right.

I'm sure I want to kill him more than anyone. And that still hasn't changed, even now.

But if your objective is to kill the emperor of Dae-Hyun,
then I will save the emperor just to stop you.



You are trying to start a war, and it's only possible to stop the war if the emperor is alive.

Yes. That's why Hyun-Joo must die.

SFX: step

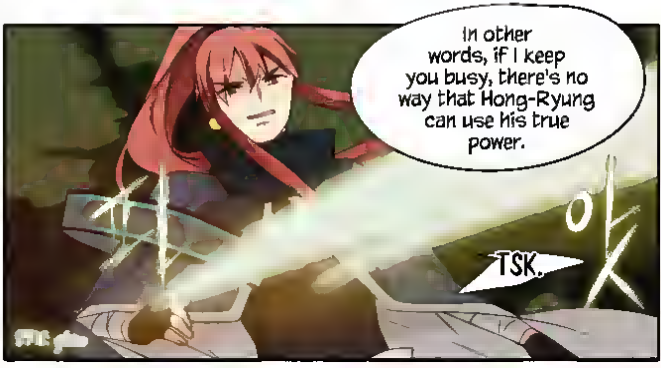
Gang-Hui!

Ah-ha!
Hong-Ryung still can't use his power properly, can he?

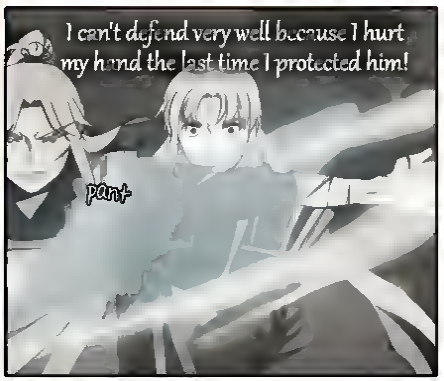
He needs you to make a bow for him.



In other words, if I keep you busy, there's no way that Hong-Ryung can use his true power.
TSK.

We've both avoided each other to keep our own secrets. So maybe you haven't noticed...
that there are some ways he can use his wild power very effectively.
What?

KUK...!



I can't defend very well because I hurt my hand the last time I protected him!

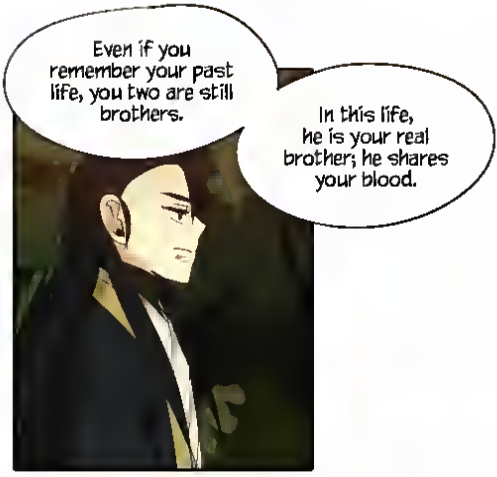
It's difficult to face that power with this body.



Even if you remember your past life, you two are still brothers.
In this life, he is your real brother; he shares your blood.

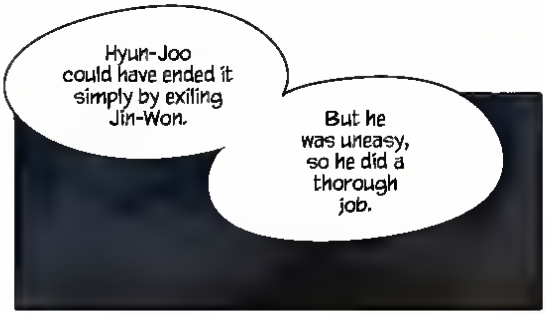
I'll look after Chu-Yeon until you come back again.
Even without blood ties, you'd want to take care of a brother no matter what because of the bonds you've formed in your time together.
This way, you must return.

Brothers?
How can you simply use your brothers as soon as you remember your past life?!

I'M ASKING YOU, DID THE PERSON WHO LIVED WITHOUT YOUR PAST MEMORIES CEASE TO EXIST?!

But Hyun-Joo also killed our brother Jin-Won for his own purposes.
!
"Our" brother?

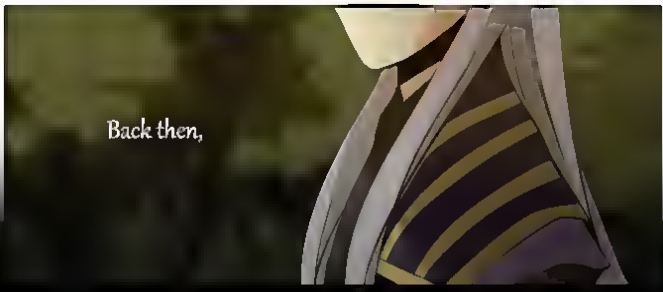
Do you think he did it because I pushed him?
No. I didn't really push that much.



Hyun-Joo could have ended it simply by exiling Jin-Won.
But he was uneasy, so he did a thorough job.

pat
So, I'm not so strange.

All humans are like that.



...those with me when I first found the book about Gabi were...

...brother Jin-Won...and Dong-Hyung.

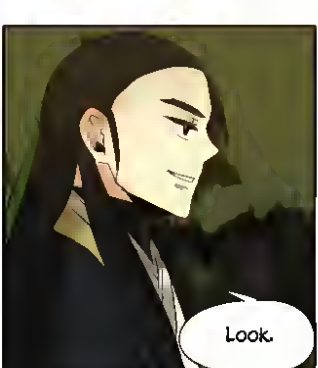
Identity?

But Hyun-Joo also killed our brother Jin-Won for his own purposes.
!

I'm sorry.

Are you...

...Dong-Hyung?



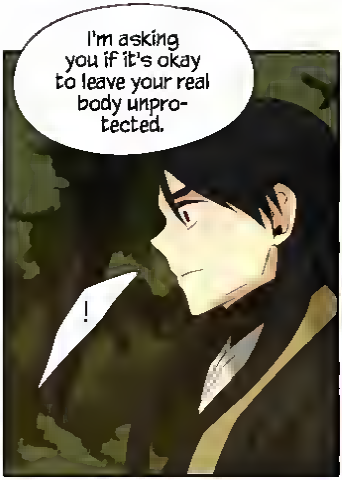
Look.

Wouldn't it be better to kill him while he doesn't know than to watch him realize the truth?

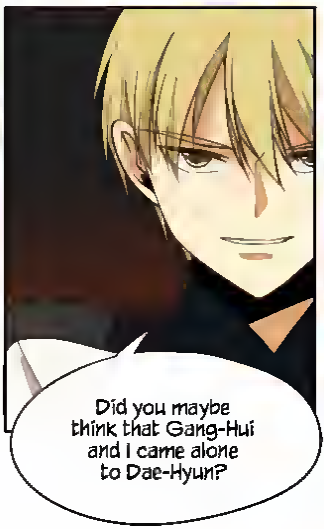
What?
No way!
Then...

...I actually stabbed my lord Baek-Yeom??

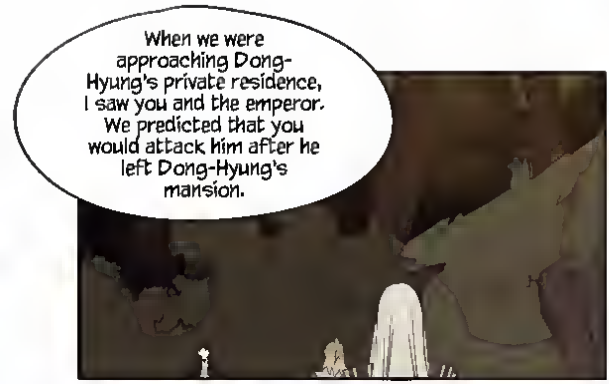
By the way, is it okay to be here like this?
?



I'm asking you if it's okay to leave your real body unprotected.
!

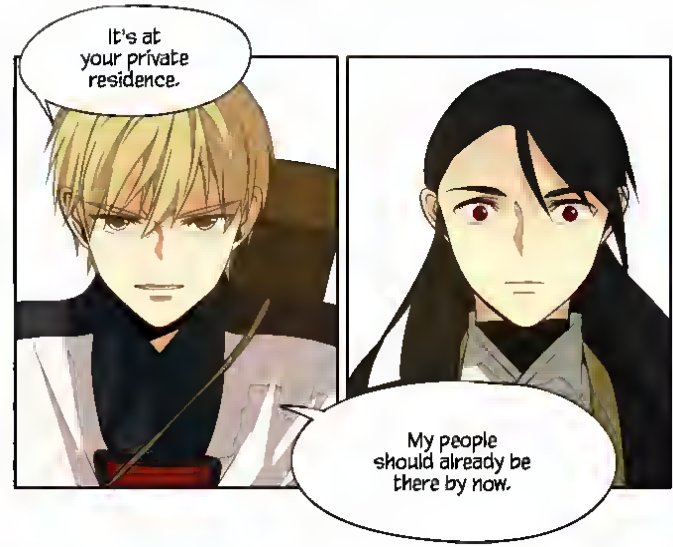


Did you maybe think that Gang-Hui and I came alone to Dae-Hyun?

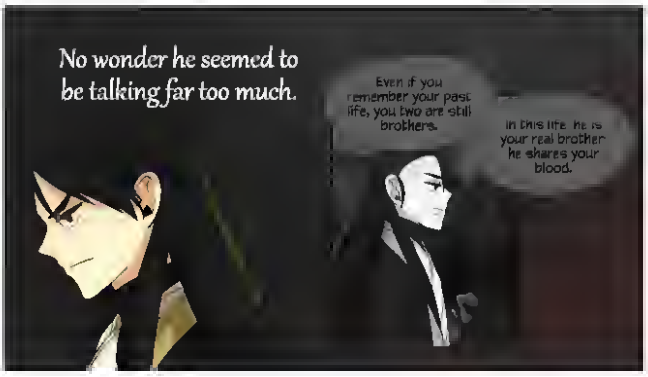


When we were approaching Dong-Hyung's private residence, I saw you and the emperor. We predicted that you would attack him after he left Dong-Hyung's mansion.

So it's easy to guess the location of your real body while you are in the form of Jin-Won.



It's at your private residence.
My people should already be there by now.



No wonder he seemed to be talking far too much.
Even if you remember your past life, you two are still brothers.
In this life, he is your real brother. He shares your blood.

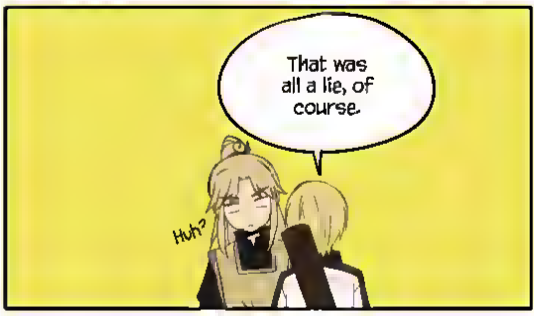
Dare Bells 7

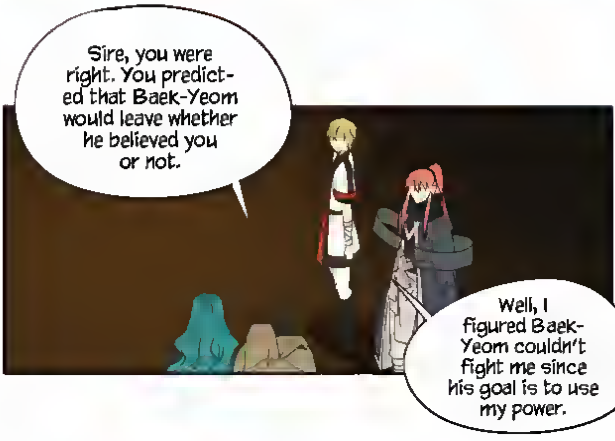
Season 3, Chapter 22.
Effort

Hey, why aren't we following Baek-Yeom?
Can your people handle Baek-Yeom by themselves?



That was all a lie, of course.
Huh?

Would I send my people to such a dangerous situation without even knowing when Baek-Yeom would wake up in that body?
We were hidden, keeping an eye on the confrontation.



Sire, you were right. You predicted that Baek-Yeom would leave whether he believed you or not.
Well, I figured Baek-Yeom couldn't fight me since his goal is to use my power.

Have you pulled yourself together now?

From the moment you first learned about Ga-Bi, your every move has been manipulated
Finding that book, awakening the Divine Bells, trying to start a war - everything

You were just a puppet in Baek-Yeom's hand.

Don't give me that glare of outrage.
I'm the same as you. Dong-Hyung - no Baek-Yeom - completely fooled us.

We swallowed it hook, line, and sinker.

I can't believe it.
How...?

H-Hello.
I never realized he was Baek-Yeom, even when I was so close to him.

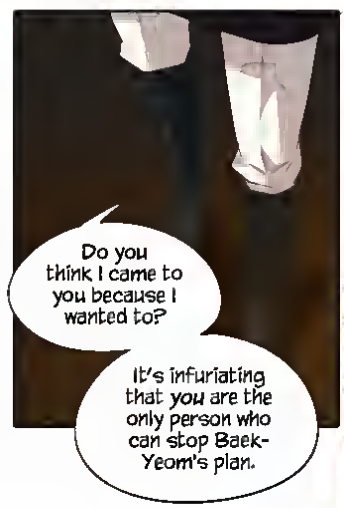
Now you understand, right? This war should not happen

So please call it off.

SFX: clench
Are you telling me what to do?

Do you think that I'll listen to you?

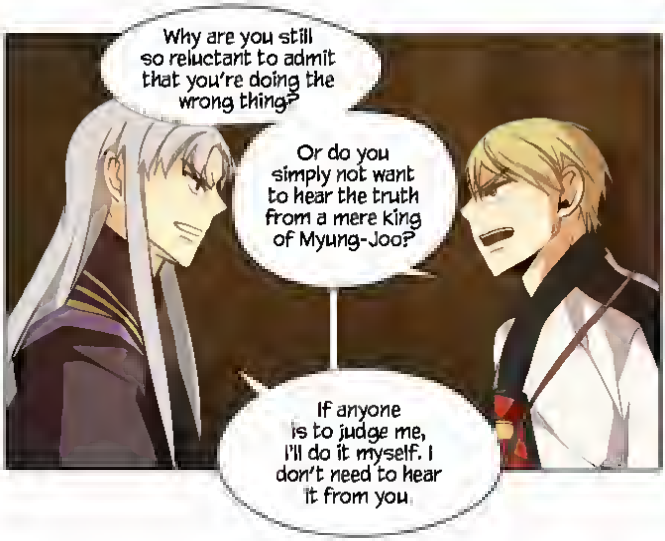
We're in this dire situation,
and yet your pride is still more important?



Do you think I came to you because I wanted to?
It's infuriating that you are the only person who can stop Baek-Yeom's plan.

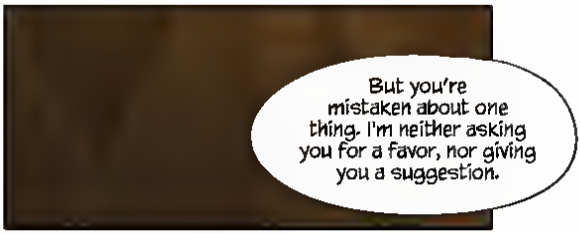
But I came because I thought you could judge clearly once you learned the whole story.

Because you're that oh-so-great Emperor of Dae-Hyun.
Yikes His personal feelings are creeping in.
even though I warned him over and over to stay calm.



Why are you still so reluctant to admit that you're doing the wrong thing?
Or do you simply not want to hear the truth from a mere king of Myung-Joo?
If anyone is to judge me, I'll do it myself. I don't need to hear it from you.

Oh really? Look how well you've done so far.
You needed to be rescued by that king of Myung-Joo whom you've always scorned.



But you're mistaken about one thing. I'm neither asking you for a favor, nor giving you a suggestion.

This is an order, and your life is on the line.

Wow. He's getting his revenge.

I'm not asking you to do it -I'm ordering you to do it.
If I don't get my answer, then I cannot guarantee the safety...
...of you or your men

SFX grip

YOUR MAJESTY!

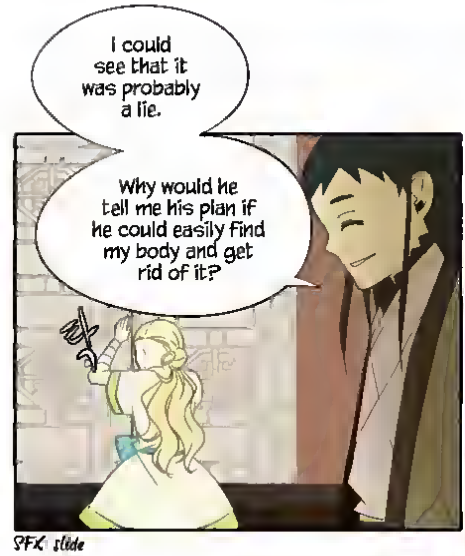
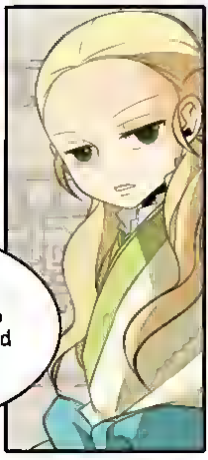
At the moment it stabbed, he avoided the blade so it missed his heart.
He tricked you last time, too. Aren't you being fooled too much?



I could see that it was probably a lie.
Why would he tell me his plan if he could easily find my body and get rid of it?

SFX: slide



Well then, why did you pretend to believe his story and come back here?

SFX. tit
Since I can't kill Hong-Ryung, I thought I'd use him to detain Hong-Ryung's party for a while.

Yes, yes, of course.

As for the war, I had already changed my mind anyways.
I had no intention of starting a war, even before you said anything.
Then you should've said so from the beginning.

That won't be a problem.

What should we do now?

Now that the emperor has agreed not to go to war, there's no need to worry about Dae-Hyun.
So we should concentrate on dealing with Baek-Yeom.

But if Baek-Yeom continues to create conflicts, you need to be ready for the possibility.

I don't think the Dong-Hyung I met even exists anymore.
No, that Dong-Hyung didn't even exist from the start. So,

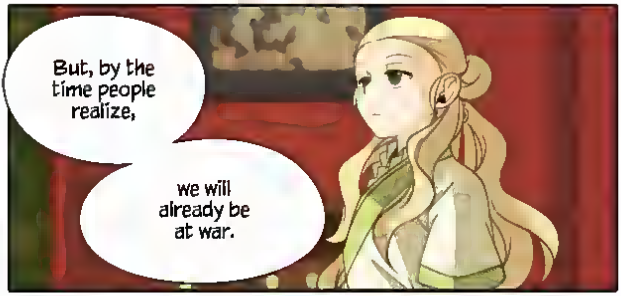
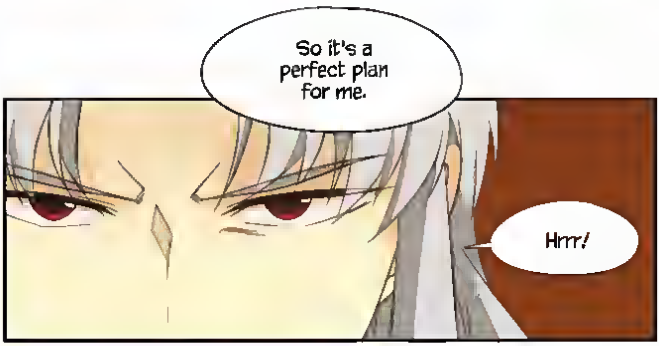
They won't believe that those closest to the emperor could mistake his identity.
Even if they see evidence with their own eyes, they won't trust their own judgment
But, even if people follow along for now, more and more will share their doubts as time passes.
It's inevitable that your true identity will be revealed in the end.
I know that this plan is flawed.



But, by the time people realize,
we will already be at war.



So it's a perfect plan for me.

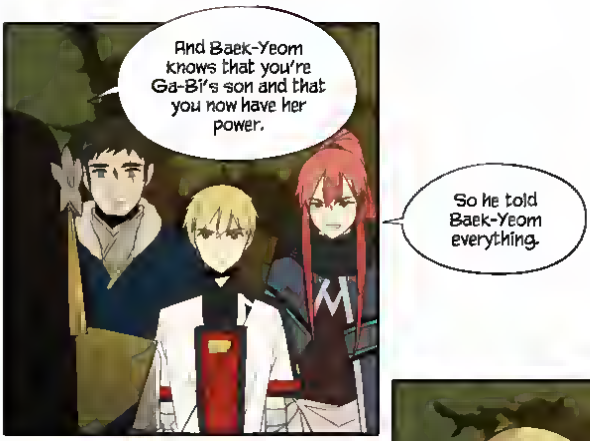
Baek-Yeom took Wi-Jin, you say?

Yeah. That blonde priestess who followed you around took him away.
Really, it was no different than kidnapping him.



And Baek-Yeom knows that you're Ga-Bi's son and that you now have her power.
So he told Baek-Yeom everything.

He had no choice.
Baek-Yeom was holding Wi-Jin's sister hostage.
How is Wi-Jin?

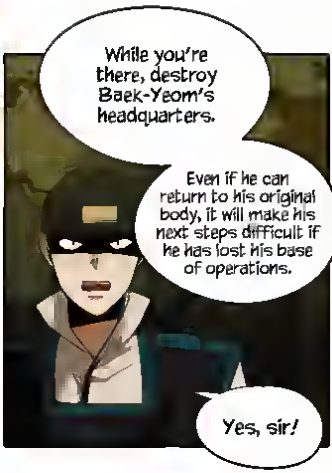
He blames himself for putting you in danger.

I can't leave Wi-Jin alone in that place.

Ji-Eun, can you watch over Wi-Jin, please?

Will do. I also feel responsible because I watched her take him and I couldn't do anything to stop her.

Dan, take the Western Covert Corps, follow Ji-Eun, and rescue Wi-Jin.



While you're there, destroy Baek-Yeom's headquarters.
Even if he can return to his original body, it will make his next steps difficult if he has lost his base of operations.
Yes, sir!

Su-Lan, Armsmaster, reach the Covert Corps and my brother in the palace. Relay the message to speed up war preparations.
What about you, Sire?
Aren't you going to Chu-Yeon Palace?

I don't have time to deal with Chui-Bi in Myung-Joo.

And if I appear now with divine powers, our army in Chu-Yeon Palace will only be more confused.
A male with divine powers is considered an ill omen.

Who knows? Maybe there's truth to that saying.
Look at how all this happened...

...because of m-!!
SFX: whack

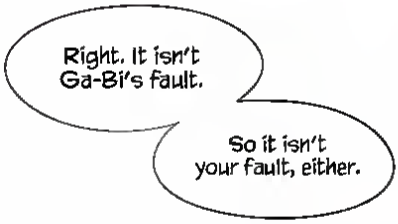
@#&*%&%*#!!!
*No one has ever hit him like this. Not even No-Woo.
Aren't you too full of yourself?

You're not almighty. Not everything happens just because of you, you know.
What? Why don't you say that the earth turns and the trees grow and the sun shines, all because of you?
Why, you ...!

STOP YOUR NONSENSE! THAT HAS NOTHING TO DO WITH THIS.
What should we do in this situation?
Just stay put.
You think it's easy to watch him die, the King?

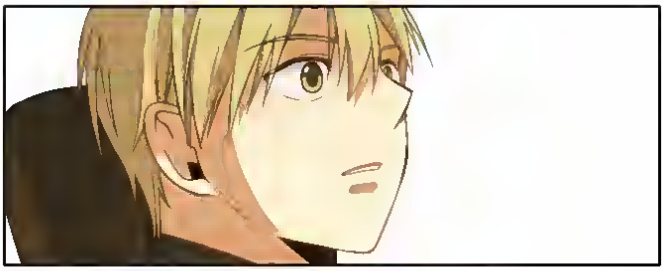
That's how absurd you sound!
You are definitely Ga-Bi's son, thinking that everything is your fault. You are just like her.

Do you think all of this happened because of Ga-Bi?
No! No way!!



Right. It isn't Ga-Bi's fault.
So it isn't your fault, either.

You goofball.



What an interesting way with words.
His words are totally unconvincing, but he still persuaded me.
Yeah.

So, if those guys are all going back to Myung-Joo, what will you and I do in Dae-Hyun?
We need to find out the movements of the Dae-Hyun Army, and where they'll cross the border.

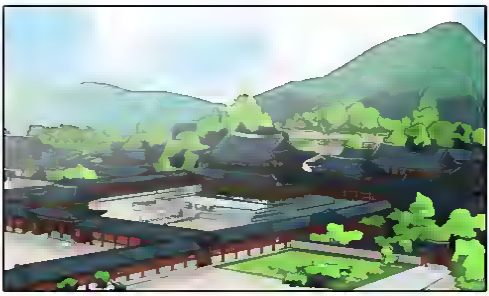
Divine Bells

Season 3, Chapter 26
Determination



Isn't that General Baek-Yul?
What is he doing in the palace?
I heard he was dead.
nun
nun

General Baek-Yul?
It has finally started.

War?

Yes. Dae-Hyun's army will invade Myung-Joo in less than 3 days.
It was tough running here without a break all the way from Dae-Hyun, but time is short.
What is the situation of our troops?
The king told me to get prepared in case war breaks out. Even right now, we can start moving soldiers into position.
But, as you might expect, it will be difficult to beat Dae-Hyun with Myung-Joo's few soldiers.
...
I'll request assistance from the other countries...
...though I don't know how many will help out Myung-Joo.
Oh. And take this.
Bird?
hold out

His Highness sent you this.
He used his divine power on it, so you two will be able to communicate the minute something happens.

It looks like My Lord has improved greatly in controlling his power.
Well, he's become better at small things like this,
but he still seems to have trouble with using his full power.

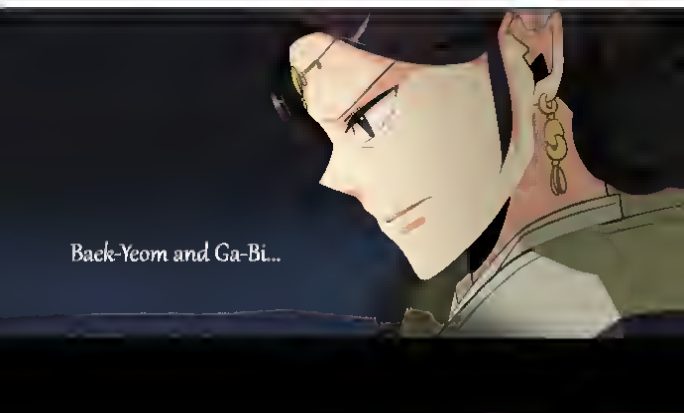
Anyway, we don't have any time to waste. Let's send letters to the other countries now.
nod

Request for assistance? Pfft. Did they really think we'll help if they sent this to us?
Queen of Chi-Hu Seo-Wol-Ha
King of Bu-Ho Dan-Hak
It won't make any difference if Myung-Joo fell, so let's just make sure we do nothing to offend Dae-Hyun.
Nan-Hun Ji-Hwoa Palace
LADY MOTHERRR!

T/N. NO WOO ACTUALLY USES A VERY FORMAL TITLE THAT MEANS "MOTHER", BUT IT IS A TERM ONLY USED AMONG ROYALS.

This is no easy decision. Going against Dae-Hyun sacrifices Nan-Hun.
We have to consider whether we should suffer such damage over Myung-Joo
Haven't I told you already?
The one manipulating Dae-Hyun isn't Dae-Hyun's emperor!
It's a man called Baek-Yeom!
Why are you still hesitating when I've told you all about Baek-Yeom and Ga-Bi?!
We are all being played by that man.
This is not a war against Dae-Hyun, but a war against Baek-Yeom.

That's why we have to stop it.



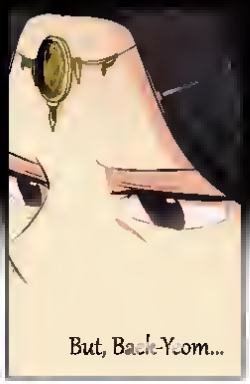
Back-Yeom and Ga-Bi...

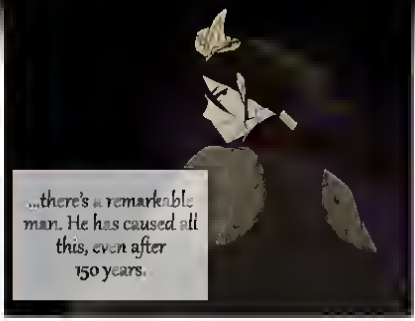
Do-Ahn,

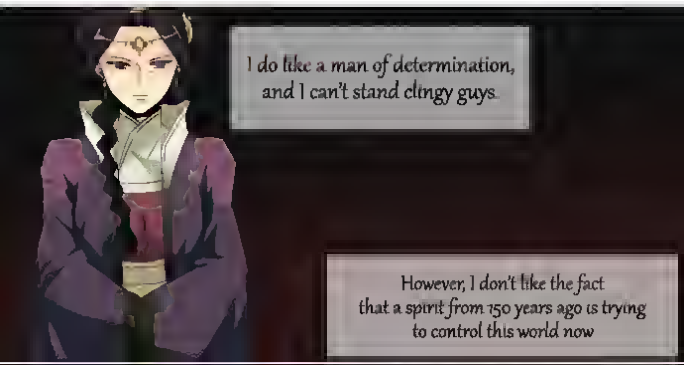
...you married a truly extraordinary woman.

You were always like that.

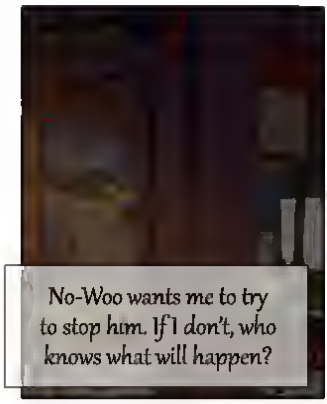
Even though you were so unremarkable,
you always seemed to be involved in all sorts of events.



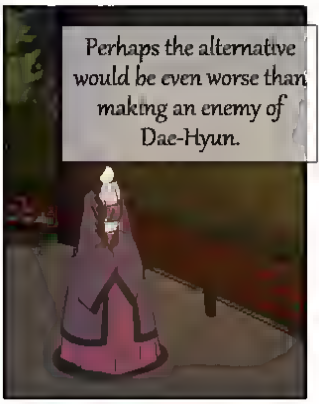




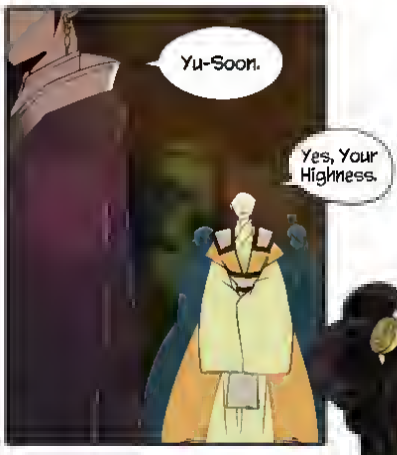
I do like a man of determination, and I can't stand clingy guys.
However, I don't like the fact that a spirit from 150 years ago is trying to control this world now



No-Woo wants me to try to stop him. If I don't, who knows what will happen?



Perhaps the alternative would be even worse than making an enemy of Dae-Hyun.



Yu-Soon.
Yes, Your Highness.

Immediately prepare my reply to Myung-Joo.

Shall we make our move?

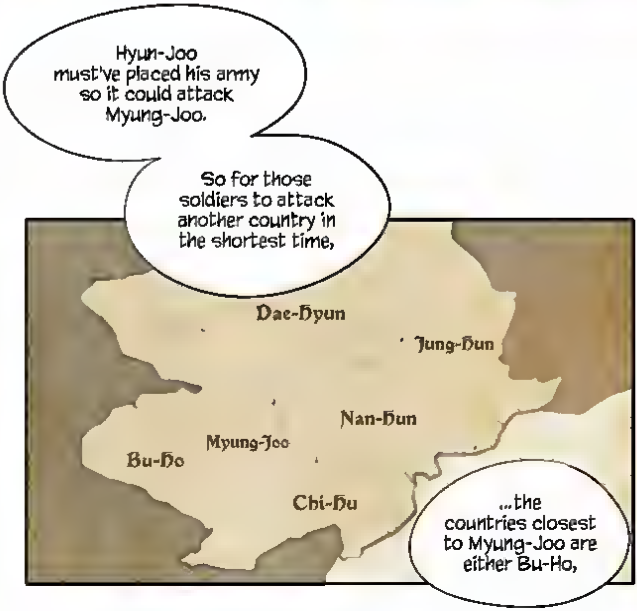
What are you saying?

What do mean "The opponent isn't necessarily Myung-Joo?"
No-Woo once told me...

...that someone tried to drive a wedge between Bu-Ho and Nan-Hun.
This is...!
. Bu-Ho's identity tag? Why is there an identity tag on a dead assassin?
If what the Divine Bells said is true, then we didn't fight Bu-Ho's men.
Considering all the evidence, she thinks that it was Baek-Yeom's doing.

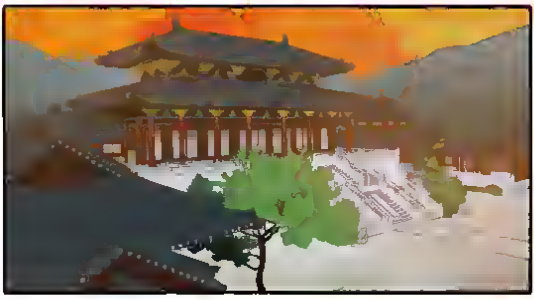
Emperor Hyun-Joo actually wanted to attack Myung-Joo.
But Baek-Yeom simply wants to start any war he can.

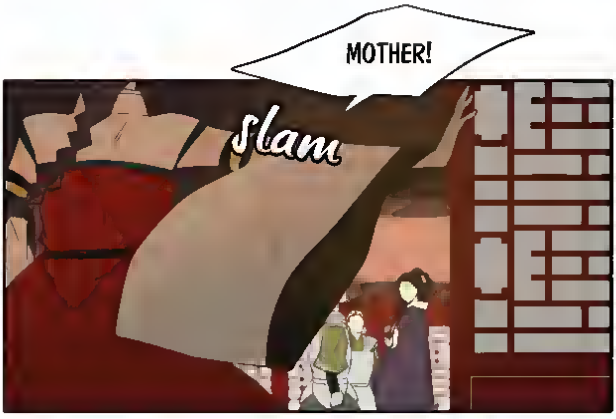
Now that Baek-Yeom is controlling Dae-Hyun, it isn't so strange for him to attack a country other than Myung-Joo.
If not Myung-Joo, then where?



Hyun-Joo must've placed his army so it could attack Myung-Joo.
So for those soldiers to attack another country in the shortest time,
Dae-Hyun
Jung-Hun
Nan-Hun
Myung-Joo
Bu-Ho
Chi-Hu
...the countries closest to Myung-Joo are either Bu-Ho,

...or Nan-Hun.

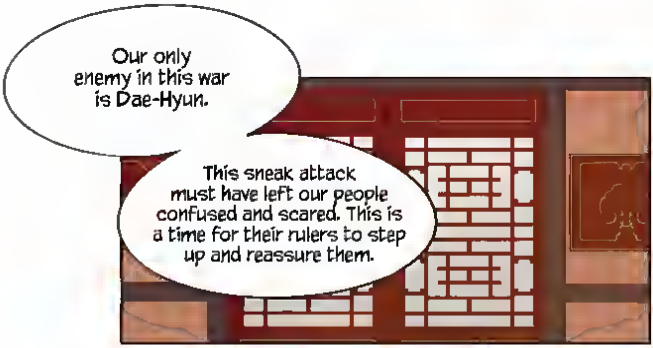




MOTHER!
slam

I'm already busy enough, so stop making such a fuss.
What's the current situation?
step
step
Because Dae-Hyun invaded so suddenly, half of Seol-Wan has fallen into their hands

If Seol-Wan gets taken like this, they'll march at once to Chang-Woong and Soon-Hyun.
That's why we must defend Seol-Wan.
I'll go.
NO-WOO!



Our only enemy in this war is Dae-Hyun.
This sneak attack must have left our people confused and scared. This is a time for their rulers to step up and reassure them.

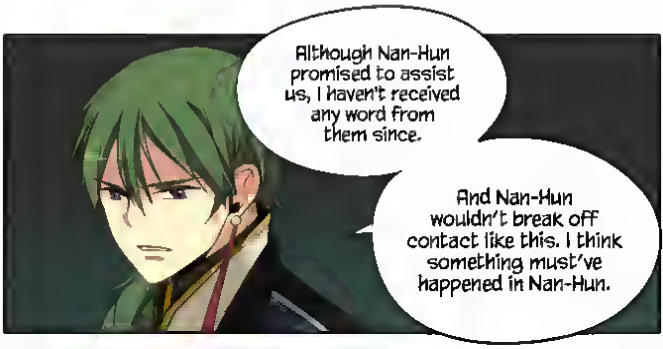
And, Mother, you told me this:

ARE YOU OUT OF YOUR MIND??!!
HOW CAN THE HEIR TO THE THRONE OF NAN-HUN STEP IN TO FIGHT ON BEHALF OF MYUNG-JOO?!

Since this is Nan-Hun's war, it's time for me to step in.

They'll attack some country other than Myung-Joo?

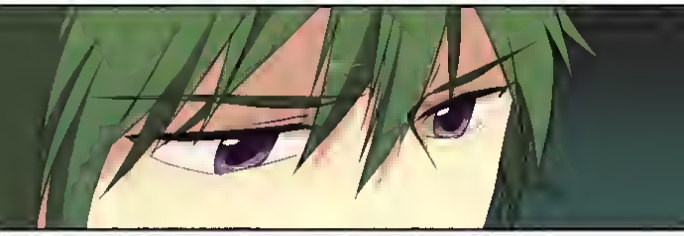
Yes. If they're attacking Myung-Joo, we certainly would have seen some sign of it.
...
Brother?



Although Nan-Hun promised to assist us, I haven't received any word from them since.
And Nan-Hun wouldn't break off contact like this. I think something must've happened in Nan-Hun.

Then the place Dae-Hyun is attacking is—
Yes.
It must be Nan-Hun.

What are you planning to do?
I'll go to Nan-Hun.
This isn't a war between countries.
Since the enemy is Baek-Yeom, I'll go to stop him, even if Myung-Joo isn't under attack.



Your Highness.
Yes?

I know I shouldn't do this, but may I ask you a favor?

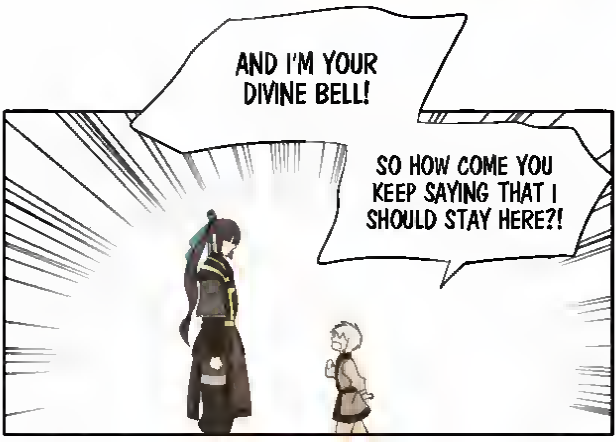
So Hoa-Back, you stay here.

WHY??
NOW I CAN USE MY POWER TO PROTECT YOU!



AND I'M YOUR DIVINE BELL!
SO HOW COME YOU KEEP SAYING THAT I SHOULD STAY HERE?!

You're right. Since you're a Divine Beli, you've lived longer than me and even have divine powers.
But why I didn't think of, or rather, why didn't I want to take you with me?

And that guy's been lost in thought. He hasn't said a single word.
I don't know what to do anymore.

What are you saying?
Seriously, I saw it with my own eyes!
Dae-Hyun's army is marching on Nan-Hun!
Why would Dae-Hyun send soldiers to Nan-Hun? Just why? To try to start a war with Nan-Hun?
No way... right?
What?
It's nuts. Why would our emperor even do such thing?

It's not just any country, you know. Nan-Hun's gotta be the most difficult country for Dae-Hyun to conquer.

That might be why.

What?

No way can the other countries ignore an unjustified sneak attack on Nan-Hun.
Once they realize they might get invaded like Nan-Hun, they will revolt against Dae-Hyun.

No way. Is Baek-Yeom trying to turn this whole world into a battlefield?
I truly hope he's not planning something that crazy.

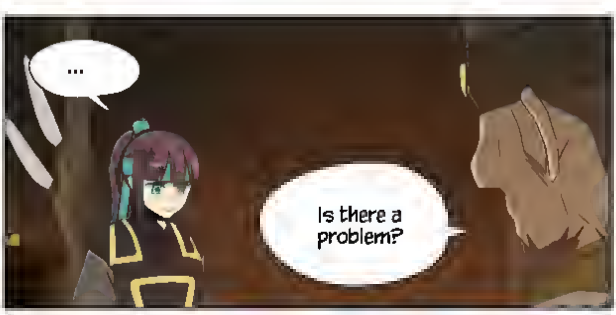
How long do you think you two can last like that?

Currently, half of Seol-Wan has fallen.

Thankfully, we stopped them from taking all of Seol-Wan because the princess brought the Divine Bell and soldiers with her.



...
Is there a problem?

Did you send troops to support Myung-Joo from our army here in Seol-Wan?
Yes. Not too many, but we did send about 20 percent of the troops.

Considering that so many of our troops were missing, it's strange that Dae-Hyun was unable to take Seol-Wan before we arrived.
Dae-Hyun should've had more than enough soldiers to seize Seol-Wan.
I think they must be holding back when they fight us.

How can that be?
This is war. There's no holding back.

They attacked Nar-hun without notice, but it seems they attacked without full power.

What...

...is Baek-Yeom planning?

How come you're not sending more soldiers?
There are still more soldiers waiting in Dae-Hyun.

It's enough for the other countries to see Dae-Hyun attack Nan-Hun
without any justification. I need to save the rest to fight them.

Well, in fact, it's also for something more important.
